

The K-LOVE ministry serves my community by providing wholesome, positive music that I do not have to worry about screening before I let my children listen. On many occasions it has blessed my family. Through K-LOVE, God has reached many and will continue to as long as it stays on the air. With other broadcasting, we would lose the peace of mind that K-LOVE provides as well as their ministry. No other station can provide the atmosphere that K-LOVE gives. The effects of removing K-LOVE would not just remove a Christian station, but replace it with a secular station that may play great music...But not Christian music that can reach out to a lost soul. The services that K-LOVE provides gives the public a chance to hear about Christ wherever they are. It is in the public's interest to keep this opportunity open to someone who maybe searching for Christ or who may need that encouraging word to keep them going and not give up...as it has done for me.

Thank you for your time and God Bless,
